EXHIBIT BOOTH CANCELLATION AND REFUNDS

All cancellations of booth space must be received in writing by Conference Management. If space is reduced, the net reduction of space will be treated as a cancellation of that space. If Conference Management receives a written request for cancellation of space prior to December 15, 2017, the Exhibitor will be eligible for a full refund minus the 50% of the total booth cost. No refunds will be given after December 15, 2017. It is expressly agreed by the Exhibitor that in the event it fails to pay the space licensure charge at the times specified, or fails to comply with any provisions contained in these Regulations concerning its use of exhibit space, Conference Management shall have the right to reassign the confirmed booth location shown or to take possession of said space and lease same, or any part thereof, to such other parties upon such terms and conditions as it may deem proper. In the event of a default by the Exhibitor, as set forth in the previous sentence, then in addition to Dannemiller's and Conference Management's other rights and remedies hereunder, the Exhibitor shall forfeit the amount paid by Exhibitor for its space reservation, regardless of whether or not Conference Management enters into a further lease for the space involved. In case the Exhibition shall not be held for any reason whatsoever, then and thereupon, the licensure and lease of space to the Exhibitor shall be terminated. In such case, the limit of claims for damage and/or compensation by the Exhibitor shall be the return to the Exhibitor of the prorated amount already paid of space for this specific event.
